Dear Sir/Madam

Recommendation Letter

It is with much enthusiasm that I am writing to recommend the services of Avian Pest Control. We have been using APS for bird control in our site from 2022 and have always been completely satisfied with their performance. They do an excellent job and offer the most competitive rates. We are so glad that we called Avian Pest Service to solve our pest problems. The bird issue is currently in control, and after just a few months of their service our unwelcome guests are finally at bay.

I am happy to recommend the services of APS. If you have any questions please feel free to contact me.

Sincerely,

Viwe Krele
